Fixation of pay-scales in respect of posts omitted from the B. S. R. (Revision of Pay) Rules, 1948.

E. B. (II). P. W. Deptt.

These papers deal with the fixation of pay-scales (so far as P.W.D. is concerned) in respect of posts which were omitted from the schedule accompanying G.R., F.D., No. 6567/33-I, dated the 15-1-1948. In G. L. No. 6919/36-V-E(II), dated the 23-2-1948, reports were called for from the local officers to suggest suitable revised scales for the posts refd. to above. The reports recd. from the local officers have been consolidated in the statementat pp. ante which also contains recommendations for suitable revised pay scales. It is noticed that the designation of general class IV servants under the P.H.E. is confusing. In fact all these servants can conviniently be granted together under the category 'Inferior Servants'. It is for consideration whether the P.H.E. to Govt. may be asked to take suitable action in the matter.

2. The following addl. remarks are offered :-

(1) No scales have been proposed in respect of categories mentioned below as the question of revising pay-sfales in their cases is under consideration separately.

Designation.	
(1) Typists.	Being dealt with separately in file No. 7640/36.
(2) Storekeepers.	Being dealt with separately in file No. 9941/36.
(3) Stenotypists.	A revised pay-scale of Rs. 75-5 140-E.B.-8-220 plus short hand allc. has been sanctioned in G.L.No. 8718/36-E(II), dt. 13-11-1948.
(4) Oilman	A revised pay-scales of Rs. 35-1-50 has been sanctioned on G.R. No. 6919/36, dated the 11-12-1948
(5).....	...

(5) Senior Draftsman in the office of the Architect to Govt. — A scale of Rs. 300-10-400. has been approved & orders are being issued separately.

(6) The El. Engrs. proposal to change the designation of Techl. anth. to Jr. Engrs. may be accepted.

3. The pay-scales that will be finally adopted will be given effect from the 1-1-49 as in the case of the revised pay-scales sanctioned in G.R., F.D., No. 6567/33-I, dated the 15-1-1948.

4. On receipt of orders on the several items of the statement, these papers may be refd. u.o. to the F.D.

Finance Department 'X'

The P.W.D. proposals are noted upon the schedule at pages 207-243 post. The scales agreed to in col. 10 are those which are based on the scales comparable posts. As regards the other scales, the following remarks are offered

2. S.No.22 Asstt. Inspectors.- The PWD. proposes a revised scales of Rs. 55-3-85 on the analogy of the prescribed scale sanctioned for supervisors in the Agrl. Deptt. It may be observed that merely the fact that the post 1931 scales of two posts are identical does not justify the same prescribed scale. The prescribed scale has to be fixed with ref. to the nature of duties attached to a particular post. In view of this, it seems necessary to ascertain the basis on which the existing scale of the post

in question.....

in question was sanctioned. The PWD. may, therefore, be requested u.o. to state this and forward the papers leading to the creation of the post in the first instance.

3. S.No.6 Asstt. Storekeeper (Presidency Divn.)

From the remarks made by the PWD. it will be seen that the proposal involves revaluation of the post. The revaluation implied in the PWD. remarks will have to be considered in accordance with the procedure laid down in GM.No. 6567/33 dt. 31/7/47. The papers may, therefore, therefore, be passed on to E. Br. of this Deptt. with a request to state whether there is any justification for revaluation of the post.

4. S.No.16. Chlorinator. The PWD. may be requested u.o. to state the basis on which the existing scale was sanctioned and to forward the papers underlying creation of the post in the first instance.

5. S.No. 18. Custodian. Same remarks as in para 4 above.

6. S. No. 20. Delivery Mukadam - Same remarks as in para 4 above. The P.W.D. may be requested u.o. to state how his duties differ materially from other mukadams.

7. S. No. 24 - Foreman. - Same remarks as in para. 4 above.

8. S. No. 41 - Medical Asstt. - It will be seen that the existing fixed pay was sanctioned in 1947 only. It appears that there is no need to anction a revised scale now. The PWD. may be requested u.o. to forward the papers leading to the creation of the post.

9. S. No. 48 - Research Asstt. - Same reamrks as in para. 4 above. The PWD. may also state the comparable scales for Research Asstts. in other Deptt. as per remarks in col.....

in col. 7 of its statement. The existing scale is that of Agril Officer, Grade II, and it would seem that a revised scale of Rs. 80-35-100-8-140-E.B.-10-200 only would be justified.

10 S. No. 54 - Supdt. of Stores.- Same remarks as in para. 3 of above. The B Br. may be requested to state whether the revaluation is justified.

11. If approved, the PWD. may be requested u.o. to issue orders revising the pay ~~xxx~~ scales of the posts (of which the scales are agreed to in the statement) under the R. of P. Rules, 1948, stating that a formal amendment to the schedule will be issued by the F.D. in due course. The information called for in the above paras. (excepting paras. 3 & 10 above) may be furnished after issue of the orders. The question of revaluation of the posts in paras. 3 & 10 above will be considered later on along with the remaining posts in respect of which addl. information is called for from that Deptt.
